This is to inform the Commission that the undersigned and Chief Harlin McEwen of the International Association of Chiefs of Police (IACP), National Sheriffs Association (NSA), Major Cities Chiefs Association (MCCA), and Major County Sheriffs Association (MCSA), spoke by telephone with Wireless Telecommunications Bureau Chief Fred Campbell on April 3, 2007, regarding the proposal submitted in the above-referenced proceedings by Frontline Wireless, LLC. We indicated that, while we have concerns regarding the proposal, we feel that it would be in the public interest for the Commission to seek public comments on the concept presented therein. We also reiterated our support for the Band Optimization Plan.

Please contact the undersigned should the Commission require any additional information regarding this manner.

Respectfully submitted,

Robert M. Gurss

Director of Legal and Government Affairs
